#### CHAPTER REFERRED TO IN OTHER SECTIONS

This chapter is referred to in section 777c of this title; title 26 section 9504.

#### § 3951. Definitions

As used in this chapter, the term—

- (1) “Secretary” means the Secretary of the Army;
- (2) “Administrator” means the Administrator of the Environmental Protection Agency;
- (3) “development activities” means any activity, including the discharge of dredged or fill material, which results directly in a more than de minimus change in the hydrologic regime, bottom contour, or the type, distribution or diversity of hydrophytic vegetation, or which impairs the flow, reach, or circulation of surface water within wetlands or other waters;
- (4) “State” means the State of Louisiana;
- (5) “coastal State” means a State of the United States in, or bordering on, the Atlantic, Pacific, or Arctic Ocean, the Gulf of Mexico, Long Island Sound, or one or more of the

Great Lakes; for the purposes of this chapter, the term also includes Puerto Rico, the Virgin Islands, Guam, the Commonwealth of the Northern Mariana Islands, and the Trust Territories of the Pacific Islands, and American Samoa;

(6) “coastal wetlands restoration project” means any technically feasible activity to create, restore, protect, or enhance coastal wetlands through sediment and freshwater diversion, water management, or other measures that the Task Force finds will significantly contribute to the long-term restoration or protection of the physical, chemical and biological integrity of coastal wetlands in the State of Louisiana, and includes any such activity authorized under this chapter or under any other provision of law, including, but not limited to, new projects, completion or expansion of existing or on-going projects, individual phases, portions, or components of projects and operation, maintenance<sup>1</sup> and rehabilitation of completed projects; the primary purpose of a “coastal wetlands restoration project” shall not be to provide navigation, irrigation or flood control benefits;

(7) “coastal wetlands conservation project” means—

(A) the obtaining of a real property interest in coastal lands or waters, if the obtaining of such interest is subject to terms and conditions that will ensure that the real property will be administered for the long-term conservation of such lands and waters and the hydrology, water quality and fish and wildlife dependent thereon; and

(B) the restoration, management, or enhancement of coastal wetlands ecosystems if such restoration, management, or enhancement is conducted on coastal lands and waters that are administered for the long-term conservation of such lands and waters and the hydrology, water quality and fish and wildlife dependent thereon;

(8) “Governor” means the Governor of Louisiana;

(9) “Task Force” means the Louisiana Coastal Wetlands Conservation and Restoration Task Force which shall consist of the Secretary, who shall serve as chairman, the Administrator, the Governor, the Secretary of the Interior, the Secretary of Agriculture and the Secretary of Commerce; and

(10) “Director” means the Director of the United States Fish and Wildlife Service.
